

Meeting Agenda and Minutes

Meeting Title: Group 35 | Project Meeting 3.5 semester 2

Date: 12 September

Time: 5:00pm-6:00pm on Monday

Attendees: Astrid Zeman

- Group 35: Keang Xu, Cenxi Si, Guoan Wang, Manish Kumar Shaw

Item: Our current progress

Allocated time: 30 minutes

Notes:

- We have done with the data collection which are crime, tweets, alcohol, temperature, and cost of living. These datasets are all from 2012-2020 in 9-year period and provided monthly based on state. So, there are 108 data points for each variable. Also, we finished the data preprocessing part and be ready to fit the model.
- Then, we fit the datasets to Convergent cross mapping. At present, we are trying to fit the model for each state separately and to see whether the data are too noisy or not.

Item: Q&A

Allocated time: 30 minutes

Notes:

- What is the deadline of submitting the report draft?
- Could you join us in our regular meeting which is Monday 11am?
- How many words do we need to include in our report?
